Teams that have money amounts next to them will receive a package in the mail with an entry form and a voucher that will be their payment into the State Team Tournament. If the amount is \$220, that is a full entry – Team Doubles, Singles, All event and Scratch team.

\$200 is a full entry with no Scratch team, \$80. Is a team event with a scratch team and \$60 is for a team event only. If an original bowler cannot make the event, you may replace that bowler but must stay in the same division. You can only replace two bowlers. When sending in your entry form, you MUST include the voucher so the State director knows what is paid for. If you chose not to bowl at the state level, please inform me as soon as possible so I may advance the next team. If you have any questions, please contact me at 330-626-3865.

Please mail your entry as soon as possible so you get the squad and times you want. Remember, the earlier you get your entry in the more likely you will get the squads you want.

Congratulations and hope to see you in Toledo.
